BLUEFISH444 RELEASE macOS 10.12 SIERRA SUPPORT

Supporting all Epoch video cards from SD up to 4K 60p

North Melbourne, Australia, April 11, 2017 - [Bluefish444](http://bluefish444.com), manufacturer of the industry's highest quality uncompressed 4K/2K/HD/SD SDI video I/O cards for Windows, macOS and Linux operating systems has today announced immediate availability of the 10.2.2 Bluefish444 installer for macOS 10.12 Sierra, and the Bluefish444 Epoch range of video cards.

The announced Bluefish444 installer supporting macOS 10.12 Sierra is backwards compatible to earlier OS X 10.11 & OS X 10.10 versions, includes some important stability improvements, feature enhancements and supports the following applications:

- Adobe Creative Cloud 2015, 2017
- Assimilate SCRATCH 8
- Avid Media Composer 6, 6.5, 7, 8, 8.5
- Avid Symphony 6, 6.5, 7
- Avid Newscutter 10, 10.5, 11

Bluefish444 have been a pioneer in 4K workflows first producing 4K 60p SDI I/O in 2011. macOS users of Adobe Creative Cloud, Avid Media Composer and Assimilate SCRATCH now all have the option of upgrading their Bluefish444-based SDI workflow to 4K 60p for use with the latest operating systems from Apple.

The Sierra macOS driver is available for free download from the [Bluefish444 website](http://bluefish444.com). Epoch video cards are available from [Bluefish444 Authorised resellers and distributors worldwide](http://bluefish444.com), and start from USD\$1,695. For details visit bluefish444.com

About Bluefish444:

Bluefish444 is the manufacturer of the industry's highest-quality uncompressed 4K/2K/HD/SD video cards for the Windows, macOS and Linux operating systems. Its video cards are used in broadcast, feature film and post-production markets for editing, animation, compositing, color correction, restoration, digital intermediate, 3D and IPTV applications.

Bluefish444 cards have been used on award-winning feature films, commercials, music videos and sports events worldwide. Bluefish444's range of video cards are incorporated in video servers, encoders, decoders and character generator solutions by numerous 3rd party OEM manufacturers, in addition to other niche & mainstream applications.

Founded in 1998, Bluefish444 is a division and brand name of Bluefish Technologies Pty Ltd., which is based in North Melbourne, Australia. Its products are distributed via an extensive sales channel of OEMs, dealers, and system integrators globally. For further information, visit bluefish444.com
